

Access To Cypress Strand Pool Wi-Fi and Board Minutes

Pool Wi-Fi

As part of the renewed Tara Master contract with Comcast (effective mid 2013), a Wi-Fi facility has been introduced at the Cypress Strand Pool and Clubhouse. The Network name is csp2.

At the October 2013 meeting of the Cypress Strand Board, it was agreed that access to this network should be protected by means of a password.

Details of this password have been distributed to owners and long term renters who have already provided their email address to the Board.

If you have not received this information and you wish to know the password, please send your details (name, Cypress Strand address and email address) by email to Stephanie Tirado (stirado@sentrymgt.com) at Sentry Management.

Cypress Strand Website

Since November 2011, access to the Minutes and Newsletters section of the Cypress Strand website has been restricted. You require a user name and password to obtain access to these documents.

Any owner who has not yet done so can obtain the user name and password by sending their details (name, Cypress Strand address and email address) by email to Stephanie Tirado (stirado@sentrymgt.com) at Sentry Management.
