

Notice to all Cypress Strand Residents and Renters:

1. **POOL CLOSING:** The pool will be closed for acid washing from January 18-23, 2012. The pool at the preserve will still be available during that time.
2. **TENNIS COURT:** The root barrier work will begin on January 23, 2012. This will take about 3 days during which the court will be open to play. Once the root barrier is in, the resurfacing and repair of the court will commence and it will be closed for several weeks during the resurfacing period.
3. **ROAD RESEALING:** The roads in Cypress Strand will be resealed during the period February 6-22, 2012. The contractor will do the resealing in five zones in accordance with the schedule which is posted on the bulletin boards. During the resealing evolution for the zone you live in, all vehicles must be parked elsewhere.

The Board of Directors.
